London June 4 – 5

The Kia Oval, London

About Family Business UK (FBUK)

Family Business UK (FBUK) is the largest organisation dedicated to advocating for and championing the UK's family businesses, who have been building Britain for generations.

FBUK Members span every region of the UK and sector of the economy. They range from founder-owned first-generation businesses to multigenerational global firms, employing thousands of people around the world, and everything in between.

FBUK Conference

FBUK's Annual Conference is the flagship event in the family business calendar.

In 2026, as well as celebrating FBUK's 25th anniversary, Conference will celebrate and champion the unique contribution of family businesses to our economy, and communities across the country.

Conference will bring together visionary founders, family business leaders, and sector pioneers to explore how family businesses and private firms can lead the charge in economic growth, innovation, technology, and social responsibility.

We'll explore how legacy can be a launchpad for future leadership, and shape industry and communities.

For Conference sponsors it is *the* opportunity to showcase your brand, demonstrate your support for the sector, and network with leading family businesses from across the UK.

2025 Conference

- 300 leading UK family businesses
- 40 leading subject matter expert speakers

- 1 unbeatable Family Business Conference

2025 Feedback and Testimonials

- 98% of attendees rated speakers 'excellent' or 'good'
- 98% said they would attend another FBUK Conference in the future

“So many inspirational businesses all in one room, willing to share their experiences, best practice and ideas. That’s certainly why I keep attending.”

“An unrivalled gathering of thoughtful, ambitious, productive and connected family business owners.”

“The most spectacular two days. What a fantastic conference, from content, to Members and logistics.

A really special gathering”
